# Highlights

## Even light distribution

With the customised optics in Philips EyeCare desk lamps, you get light that is diffused and evenly distributed across your workspace. This reduces uneven lighting and dazzle, which normally leads to tired eyes and general eye fatigue.

## Reduces glare and eye strain

The combination of customised optics and high-quality cool white LED light in this Philips EyeCare desk lamp helps to reduce glare and eye strain. Comfortable and with no visible flickering, it helps to support optimal eye comfort.

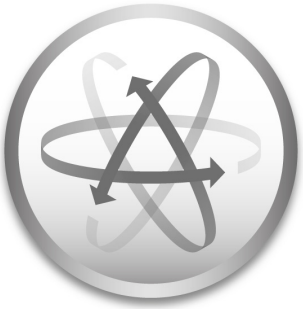
## Cool daylight

Various findings have pointed out that a cool daylight colour temperature of 5500K and up to 1000 lux promotes concentration by maintaining energy levels and alertness with natural light levels.

## Advanced dimming with memory

With its advanced dimming adjustment and memory function, this Philips EyeCare desk lamp allows you to find the light intensity that suits you best and keeps it at that setting. Handy and convenient.

## Extended reach



The ergonomic and flexible arm of this Philips EyeCare desk lamp is designed to offer extended reach for maximum reading comfort. Positioning is effortless, so you won't have to bend or move awkwardly around your desk to get your lighting focused correctly on your workspace.

## Energy

For many years Philips has pro-actively been working on energy efficiency. As a result, most Philips products have achieved green energy labels. The greener the label, the lower the energy consumption, the lower your energy bill and the friendlier for the environment.

# Specifications

## Design and finishing
- Material: synthetics
- Colour: black

## Extra feature/accessory incl.
- Dimmer and on/off switch on article
- LED integrated
- Defined light beams
- UK plug included
- Tiltable head (up-down)
- Anti-glare light source

## Product dimensions and weight
- Height: 43.8 cm
- Length: 40.8 cm
- Width: 18.4 cm
- Net weight: 1.806 kg

## Technical specifications
- Mains power: Range 100 V–240 V, 50-60 Hz
- Number of bulbs: 1
- Wattage bulb included: 15 W
- Maximum wattage replacement bulb: 15 W
- Total lumen output fixture: 250 lm
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: II - double insulated

## Service
- Warranty: 2 year(s)

## Packaging dimensions and weight
- Height: 49.6 cm
- Length: 22.6 cm
- Width: 22.6 cm
- Weight: 2.262 kg

## Miscellaneous
- Especially designed for: Home office and Study
- Style: Modern
- Type: Table lamp
